—————> *How does it work?*

*“You buy pre loaded grocery certificate cards!”*

*Purchase pre-loaded grocery certificate cards from your parish in increments of \$50 to make your everyday grocery purchases at the following grocery stores:  
Superstore, Extrafoods, Sobeys and Save on Foods.  
Safeway is a little different, see details on the back page..*

*It's that easy!!*

*It's of no extra cost to you but benefits our “Reason to Grow” capital campaign **incredibly !!!***

→ *How does the Capital Campaign raise funds through grocery certificates?*

*“Your Parish gets a discount on every dollar of Groceries you buy!”*

*The stores listed offer to Charitable Organizations a discount for grocery purchases that varies between 2% - 10% depending on the store and the total value of the grocery certificates, the Charitable Organization acquires.*

*For example:*

*For every \$100 worth of grocery certificates you buy through your Parish, you are helping to raise between \$2 to \$10 towards our “Reason to Grow” campaign.*

→ *How and where do I acquire the grocery certificates?*

*“After Every Mass !”*

*Grocery certificates and the coupon booklets will be available by the end of February 2009, after the Saturday and Sunday Masses.*

*They may be purchased by cash, cheque or credit card.*

*Note:*

*We would appreciate payment by cash or cheque. Credit card fees are approximately 3% of the total purchase. These fees decrease our funds raised by as much as 30%.*

*Safeway Grocery Coupons*

*“Are different”*

*Safeway’s grocery certificates are offered from October to December and will be available at that time.*

*At this time, Safeway offers us their “Grocery coupons booklet”. Smaller volumes but a significant contribution.*

*This coupon booklet sells for \$20. You receive four \$5 cash coupons , PLUS another \$19 worth of discount coupons .*

*For each booklet that you buy for \$20 the cost to your Parish is \$12 . You raise \$8 towards our “Reason to Grow” campaign”!!.*

*These coupons expire on December 31, 2009.*
